

Risk Assessment Report Cloudside Outdoor Pursuits Ltd (2026)

This is based on recommendations from the British Association for Shooting and Conservation (BASC) and the Clay Pigeon Shooting Association (CPSA).

1. Legal Compliance Risks

Firearms Licensing

Risk: Members possess firearms without the appropriate licensing, posing legal and safety risks.

Mitigation: Implement a verification system to ensure all club members have valid firearms licenses. Regular audits of licensing documentation are recommended.

Action: Everyone handling a firearm within the boundaries of Cloudside Outdoor Pursuits Ltd is checked on arrival or always accompanied by a fully trained instructor.

B. Storage and Transportation

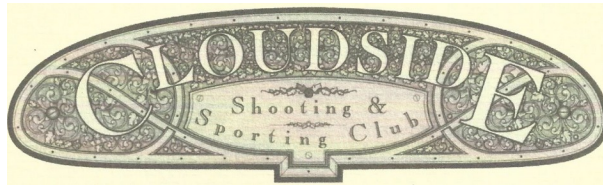

Risk: Improper storage and transportation of firearms and ammunition can lead to legal penalties and safety hazards.

Mitigation: Provide secure storage facilities on club premises and enforce strict guidelines for transporting firearms and ammunition in line with UK regulations.

Action: Cloudside Outdoor Pursuits Ltd provides Police approved secure storage facilities, including a secure gun room and gun safes on club premises.

2. Safety and Operational Risks

Health and Safety

Risk: Inadequate health and safety measures can result in accidents and legal liabilities.

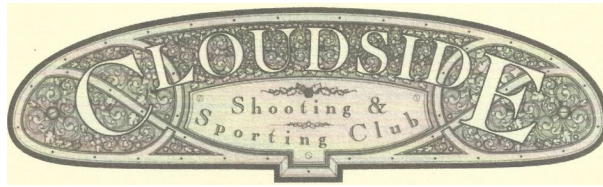

Mitigation: Adopt BASC and CPSA health and safety guidelines, conduct regular risk assessments, and ensure all members and visitors receive safety briefings.

Action: Cloudside Outdoor Pursuits Ltd conducts regular risk assessments and has had zero accidents in the past 30 years. Plus, we have a resident CPSA safety officer. All ground staff and instructors are trained on Promatic Traps.

Also, we have fully trained first aiders on site at any one time, plus a defibrillator in on-site with trained staff to operate it.

3. Insurance and Liability Risks

Public Liability Insurance

Risk: Insufficient insurance coverage could result in significant financial liability in accidents or injuries.

Mitigation: Obtain comprehensive public liability insurance that covers all club activities, including competitions and events hosted by the club.

Action: Cloudside Outdoor Pursuits Ltd has insurance provided By Hiscox Insurance.

Personal Injury

Risk: Members or visitors sustaining injuries during club activities could lead to legal action.

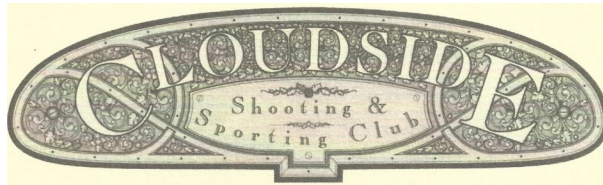

Mitigation: Enforce strict safety protocols, provide first aid training to staff, and ensure that emergency procedures are in place and well communicated.

Action: Cloudside Outdoor Pursuits Ltd. conducts regular safety checks and training and has had zero accidents in the past 30 years. It also has a fully approved Fire Alarm system and conducts regular fire alarm drills.

Also, we have fully trained first aiders on site at any one time, plus a defibrillator in on-site with trained staff to operate it.
